

REMARKS

It is respectfully requested that the amendments to the claims made under Article 34 in response to the International Preliminary Examination Report be entered for purposes of the present application.

The specification has been amended to include section headings at appropriate locations.

Claims 4 and 5 have been amended to remove multiple dependencies therefrom in order to reduce the filing fee. In addition, new claims 6-13 have been added which are directed to embodiments of the invention disclosed in the original specification. It is respectfully submitted that no new matter has been added.

Respectfully submitted,
STEINBERG & RASKIN, P.C.
